

How do I submit a new application?

Existing parents may submit new applications through the parent portal.

To submit a new application please follow the steps below:

1. Log into Curacubby
2. Click on the "New signup" tab (left navigation menu)
3. Select the desired application title
4. Select a student or add a new student
5. Complete and submit the application

If you experience any issues with the application or processing a payment please contact Curacubby support at support@curacubby.com.
